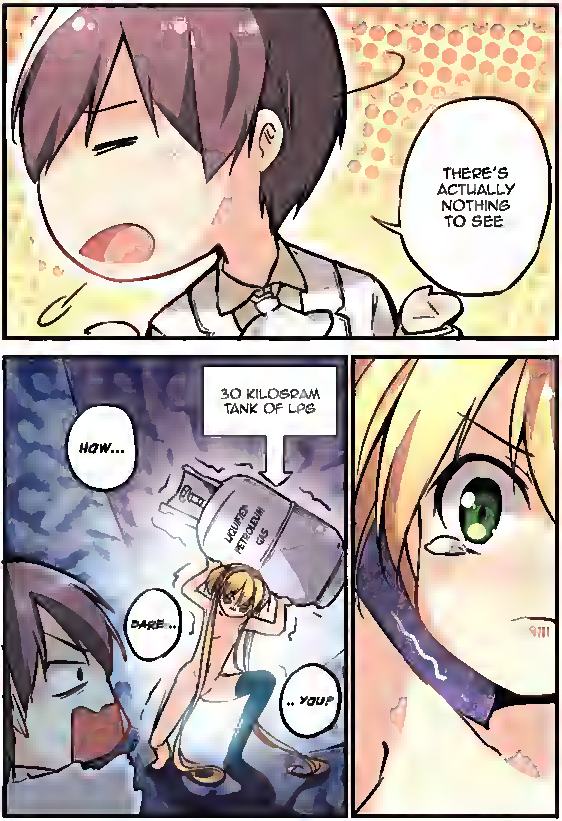
You jerk who's never had a girlfriend! You finally confessed but got ignored, and waited for a month with no reply! Right now, you're just a pervert!
!!
CAN YOU NOT SUMMARIZE THE PAST SO BRUTALLY AND DIRECTLY?
No, to say that I saw.
I don't think I saw anything.
To be more accurate, it's more like



THERE'S ACTUALLY NOTHING TO SEE
30 KILOGRAM TANK OF LPG
HOW...
LIQUIFIED PETROLEUM GAS
DARE...
.. YOU?
!!!!

Why does a modern house like Kan Kan's still use canned gas? Shouldn't there be a gas pipe instead?
You've already been seen so doesn't matter anymore, right? Fine, I'll take back what I said before. You are worth looking at...
But only for someone who's into underdeveloped little girls!

SFX BOOM
